RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 1146

Offered by Representative Acevedo:

WHEREAS, The Department of Human Services provides funds to private organizations and facilities, including Pilsen-Little Village Community Mental Health Center, Inc., located at 2319 South Damen in Chicago, to provide mental health services to Illinois residents; and

WHEREAS, Pilsen-Little Village Community Mental Health Center, Inc., was the subject of an audit by the Auditor General in 1998-1999 to determine whether State funds received by the Center had been spent according to applicable State laws, regulations, contracts, and grants; and

WHEREAS, The 1998-1999 audit identified findings that ranged from a lack of supporting documentation, to non-compliance, to unauthorized use of grant funds; the pervasiveness of problems raised the possibility that there might be additional areas of non-compliance; and

WHEREAS, Based on current complaints, the Center may be engaging in conduct or practices similar to those that led to the prior audit; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct an audit of Pilsen-Little Village Community Mental Health Center, Inc., to determine whether funds received by the Center have been spent according to applicable State laws, regulations, contracts, and grants; and be it further

RESOLVED, That the Auditor General is specifically authorized to review and publicly report on any books, records, revenues, expenditures, policies and procedures, and other relevant aspects of entities administering services for people with mental illness which are funded in whole or in part by State funds, and such entities, as well as any State or other entities that may have information relevant to the audit, are directed to cooperate fully and promptly with the Office of the Auditor General in the conduct of the audit; and be it further

RESOLVED, That the Auditor General commence this audit as soon as possible and report his findings and recommendations upon completion in accordance with the provisions of the Illinois State Auditing Act; and be it further

RESOLVED, That a copy of this resolution be delivered to the Auditor General.

HOUSE RESOLUTION 1148

Offered by Representative Coulson:

WHEREAS, Numerous studies performed in other states have shown evidence demonstrating that reducing class size, particularly for younger children, will have a positive effect on student achievement overall and an especially significant impact on the education of lower income children; and

WHEREAS, A landmark Tennessee class-size study, called STAR, shows that students who had been placed in small classes in grades K through 3 continue to outperform others right through high school, with higher graduation rates, higher grade point averages, and a greater likelihood to be college-bound; and

WHEREAS, The Tennessee study also shows that smaller classes are more cost effective, citing evidence that fewer students, particularly low income students, must be held back in higher grade levels and teachers can identify children more easily with special learning problems allowing them to provide effective help in the classroom without making an unnecessary and often costly referral to special education services; and

WHEREAS, Studies in Wisconsin, Tennessee, and California have shown that smaller classes allow teachers to focus more on instruction and less on classroom discipline; and

WHEREAS, More than thirty states have moved toward reducing class size, including Illinois, which enacted P.A. 93-814 to establish the State's K-3 Class Size Reduction grant program to provide schools on the Early Academic Warning List or the Academic Watch List grants to defray the costs and expenses of operating and maintaining classes in grades kindergarten through 3rd grade with an average class size within a specific grade of no more than 20 pupils; and

WHEREAS, Illinois has been unable to fully implement its class size reduction program since no funds have ever been appropriated for this program; and

WHEREAS, Although evidence in other states suggests that such a program might prove beneficial to students in Illinois, no study has ever been performed in Illinois to reveal the true need for a class size reduction program; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the State Board of Education to measure the need for providing State assistance to school districts to reduce class sizes in grades K through 3 to no more than 20 students; and be it further

RESOLVED, That the State Board should survey school districts and determine how many classrooms would require funding to reduce class sizes in grades K through 3 to no more than 20 students; and be it further

RESOLVED, That the State Board should further determine potential total costs associated with reducing class sizes in grades K through 3 in all school districts, including the costs of hiring additional teachers and staff and providing additional physical classroom space; and be it further

RESOLVED, That the State Board should report to the Governor and the General Assembly on its findings no later than December 31, 2006; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the State Board of Education.

HOUSE RESOLUTION 1150

Offered by Representative Flowers:

WHEREAS, Indigency has been a persistent social problem throughout history and has reached an intolerable level throughout our country; and

WHEREAS, People in urban, suburban, and rural areas of Illinois experience indigency, proving that it is not just a big city problem; and

WHEREAS, Each year sees an increase in the number of deaths among those who lack funds to provide the barest essentials of life; and

WHEREAS, Bitter cold winters and extremely hot summers have cost the lives of those individuals who simply could not afford heating or air coolants and died from exposure; and

WHEREAS, In remembering those who have died, we must reach out to help those in need; the extent to which our society can counter the effects of indigency is a good measure of its humaneness; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we proclaim Wednesday, May 24, 2006, as "We Remember, We Care for Indigent Persons Day in Illinois", and that we urge all citizens to observe, inform themselves of, and support efforts to care for the indigent; and be it further

RESOLVED, That a suitable copy of this resolution be presented to Fr. Larry Janezic, OFM, Director of the Memorial Ministry of Indigent Persons.

HOUSE RESOLUTION 1151

Offered by Representative Reis:

WHEREAS, The Governor issued Executive Order No. 6 in July 2005 establishing the Illinois Regenerative Medicine Institute (IRMI) under the Department of Public Health to provide grants to entities that engage in stem cell research; and

WHEREAS, The Fiscal Year 2006 budget included an appropriation of \$10 million to the Department of Public Health to award these grants; and

WHEREAS, The Governor further bypassed the legislative process and the rulemaking process by amending his Executive Order No. 6 in February to provide the Department of Public Health with the power to implement the Institute, outlined the functions of IRMI, and established requirements and conditions for grantees; and

WHEREAS, The Governor's amended Executive Order was published in the Illinois Register on February 24th in lieu of Department rules; and

WHEREAS, The Department of Public Health has since established the new Institute and is currently considering grant applications that were due to the Department on March 17th; and

WHEREAS, The Department anticipates awarding grants to eligible entities on April 17th; and

WHEREAS, The Governor, in his proposed budget for Fiscal Year 2007, is seeking a \$15 million appropriation from Tobacco Settlement monies for IRMI; and

WHEREAS, The Governor has further stated that he anticipates increasing this base appropriation by \$2.5 million each year for the next 5 years in order to provide the Institute with an appropriation of \$100 million by Fiscal Year 2011; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we require the Governor and the Department of Public Health to provide full disclosure of how the current appropriations for the Institute are being spent; and be it further

RESOLVED, That the Governor and the Department of Public Health, upon awarding the grants, disclose all information regarding the grantees, the process by which these grantees were selected, as well as the information on those grant applications that were rejected and the reasons why those applications were rejected; and be it further

RESOLVED, That the Governor and the Department disclose any and all other information pertinent to the status and operation of the Institute, including, but not limited to, the oversight and reporting processes in place; and be it further

RESOLVED, That any future appropriation made to the Department for the purposes of the Institute must be approved by the General Assembly as a stand alone appropriation; and be it further

RESOLVED, That a suitable copy of this Resolution be presented to the Governor and the Director of Public Health.

HOUSE JOINT RESOLUTION 117

Offered by Representative Willam Davis:

WHEREAS, The current measure of Adequate Yearly Progress (AYP) under the federal No Child Left Behind Act of 2001 (NCLB Act) does not provide for any accounting of students who make significant progress but not enough progress to meet the standard; these students are classified as not succeeding, when, in actuality, in many instances they have progressed beyond a year's growth; and

WHEREAS, The measuring of AYP at 47.5% leaves many children behind; and

WHEREAS, Using an index to calculate AYP has the potential to address some of the flaws in the NCLB Act; and

WHEREAS, An index that measures student progress allows schools to show movement from one performance level to the next and credits improvement in student achievement across different performance levels; and

WHEREAS, Prior to a school being sanctioned under the NCLB Act, a pre-AYP classification should be used to determine if the school is successful; and

WHEREAS, The pre-AYP classification would be determined by looking at the students as individuals,

with the understanding that individuals achieve at different rates; because individual students do make progress, an individual student's progress would be measured to determine if there had been added value to his or her education; and

WHEREAS, This measure would include all students: Regular Education students, Special Education students, Limited English Proficient students, and other subgroups; and

WHEREAS, This measure would provide accountability to the NCLB Act and, at the same time, provide for a more precise measure of the added value of education that the school has provided; and

WHEREAS, Not only will this measure provide schools with a more accurate level of their progress, but it would also provide more specific and accurate data needed to move more students toward the AYP standard; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge the U.S. Department of Education to create a pre-AYP classification; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the U.S. Secretary of Education.

HOUSE JOINT RESOLUTION 118

Offered by Representative Pihos:

WHEREAS, In the 2004-2005 school year, over 321,000 children with disabilities were served in special education programs across Illinois; and

WHEREAS, The number of children in special education programs has risen 12% in the last 5 years alone, and special education accounts for approximately 21% of all education spending; and

WHEREAS, The federal government has established a goal of reimbursing 40% of the costs of special education incurred by school districts, but it currently provides only 18% of costs nationally and only 14% in Illinois; and

WHEREAS, Illinois has failed for decades to update reimbursement rates for special education costs, with the last reimbursement rate set in 1973 for special education orphanage tuition, in 1985 for special education personnel, in 1978 for special education private tuition, in 1976 for special education summer school, and in 1965 for special education transportation; and

WHEREAS, Illinois has continued to prorate special education mandated categoricals at less than 100%, with the FY06 budget prorating these mandated categoricals at 97%; and

WHEREAS, Even if Illinois fully funded mandated categoricals at 100%, this would still only represent partial funding, as the reimbursement rates are severely outdated; and

WHEREAS, Illinois school districts currently spend an estimated \$1 billion from their own general education funds to meet the unreimbursed costs of special education services that are mandated by federal and State laws and administrative rules; and

WHEREAS, Special education continues to represent a growing financial burden on school districts as the need for services increases while State and federal funding fails to increase along with that need; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that a task force shall be created to study current special education funding needs and to make recommendations as to how the State can increase special education funding and ease the financial burden on school districts; and be it further

RESOLVED, That the task force shall consist of the State Superintendent of Education (or his or her designee) plus 16 members appointed as follows: the House Majority Leader and the House Minority Leader shall each appoint one representative, the Senate President and the Senate Minority Leader shall each appoint one senator, and these 4 leaders shall each appoint 3 public members representing the interests of special education administrators and services, school districts, and disability advocates; and be it further

RESOLVED, That the task force shall be facilitated by the State Board of Education; and be it further

RESOLVED, That the task force shall report its findings and recommendations to the Governor and the General Assembly by January 1, 2007; and be it further

RESOLVED, That a suitable copy of this resolution be transmitted to the State Superintendent of Education.

HOUSE JOINT RESOLUTION 119

Offered by Representative Ryg:

WHEREAS, The Constitution of the State of Illinois gives the State the primary responsibility for funding the cost of public education; however, the State currently only covers thirty-four percent of this cost, which ranks the State forty-ninth in the nation in terms of the percentage of state funding provided to schools; and

WHEREAS, Rather than fulfilling its constitutional obligation, the State has shifted the primary responsibility for funding the cost of public education to local property taxpayers, with school districts receiving an average of sixty percent of their funds from local property taxes; Illinois ranks forty-ninth among the fifty states for its over-reliance on local property taxes to fund education; and

WHEREAS, By relying on the property tax as the primary source of funding for schools, the State has created a disparity between property rich school districts and school districts without substantial property wealth; the existing funding disparity is unfair to the children of Illinois, who all deserve an equal opportunity to a quality education regardless of where they reside; and

WHEREAS, If the State is to ever assume primary responsibility for funding public education and resolve the current dependence on the property tax and the funding disparity between school districts, the State must either increase an existing source of State revenue or create a new revenue stream; and

WHEREAS, Taxpayers should not be asked to provide additional resources to public schools and school districts without the State improving the current systems of fiscal and performance accountability in such a manner as to provide a guarantee that new moneys would be well spent in ways likely to improve schools and that taxpayers would be afforded appropriate and understandable accountability for greater investments in school improvement; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there is created the Accountable Schools Task Force, which shall be facilitated by the State Board of Education, to review and evaluate the complex issues involving the fiscal and performance accountability of the State's school districts and individual schools; and be it further

RESOLVED, That the Task Force shall consist of twenty-three members as follows: one member appointed by the Speaker of the House of Representatives; one member appointed by the President of the Senate; one member appointed by the Minority Leader of the House of Representatives; one member appointed by the Minority Leader of the Senate; one member appointed by the Governor; the Chairperson of the State Board of Education or his or her designee; three members who are representatives of the business community appointed by the Governor; four members who are representatives of the education labor community, two of whom shall be appointed by an organization representing teachers who participate in collective bargaining and two of whom shall be appointed by a different organization representing teachers who participate in collective bargaining; two members who are representatives of the education management community appointed by an organization representing school management; two members who are teachers currently employed by school districts within the State appointed by the Governor; one member who is a mayor or village president from the northeastern Illinois region appointed by an organization representing mayors of northern Illinois; one member who is a mayor or village president from downstate Illinois appointed by an organization representing mayors of southern Illinois; one member who is a representative of the Mayor of the City of Chicago appointed by the Mayor of the City of Chicago; and three members appointed at-large by a national or regional organization with particular expertise in school fiscal and performance accountability; and be it further

RESOLVED, That following the appointment of all Task Force members, the Task Force shall meet and select a member to serve as Chairperson and shall meet as necessary thereafter; and be it further

RESOLVED, That the Task Force shall have the following duties and responsibilities: (1) to evaluate the State's existing fiscal and performance accountability systems; (2) to identify costs of mandates imposed on school districts and individual schools; (3) to recommend a fiscal assessment process that includes criteria for examining and evaluating the current financial practices of all school districts and schools and determining the adequacy and efficiency of internal controls; (4) to recommend methods to improve and stabilize the State's system of performance accountability; and (5) to recommend methods by which the fiscal and performance accountability systems are made more transparent and understandable for parents of students and taxpayers; and be it further

RESOLVED, That that the Task Force shall report its findings and recommendations to the General Assembly by January 8, 2007.

(c) Incorrectly reporting services rendered for the purpose of obtaining payment not earned.

26. Continuing the active practice of dentistry while knowingly having any infectious, communicable, or contagious disease proscribed by rule or regulation of the Department.

27. Being named as a perpetrator in an indicated report by the Department of Children and Family Services pursuant to the Abused and Neglected Child Reporting Act, and upon proof by clear and convincing evidence that the licensee has caused a child to be an abused child or neglected child as defined in the Abused and Neglected Child Reporting Act.

28. Violating the Health Care Worker Self-Referral Act.

29. Abandonment of a patient.

30. Mental incompetency as declared by a court of competent jurisdiction.

All proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may deem proper, with regard to a license on any of the foregoing grounds, must be commenced within 3 years after receipt by the Department of a complaint alleging the commission of or notice of the conviction order for any of the acts described herein. Except for fraud in procuring a license, no action shall be commenced more than 5 years after the date of the incident or act alleged to have violated this Section. The time during which the holder of the license was outside the State of Illinois shall not be included within any period of time limiting the commencement of disciplinary action by the Department.

The Department may refuse to issue or may suspend the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.
